

BL認定番号 BLVU031015

The technical drawing consists of three parts:

- Front View (Left):** A circular unit with a horizontal grille. Labels include "RIVET" pointing to the outer ring and "DRAIN" pointing to a small hole at the bottom.
- Side View (Middle):** A cross-section showing the internal curved duct and the grille assembly. Dimensions are labeled: ϕA (total height), ϕB (grille height), ϕD (duct height), E (grille thickness), C (duct length), and L (grille depth). A label "抜け止め金具" (anti-fall bracket) points to a small hook on the grille.
- Pressure Loss Curves (Right):** A graph titled "圧力損失曲線" (Pressure Loss Curves). The vertical axis is "静圧 (Pa)" (Static Pressure) ranging from 0 to 100. The horizontal axis is "風量 (m³ / h)" (Air Volume) ranging from 0 to 600. Five curves are shown, labeled with their respective static pressure values at 600 m³/h: 100, 125, 150, 175, and 200 Pa.

※仕様は場合により変更することがあります

材質	SUS304											
処理	カチオン電着塗装後ポリエステル樹脂焼付塗装（標準シルバー）
